Dear Friends,

I regularly write a piece here and other things elsewhere on behalf of the Church. But I wonder what we actually mean by 'the Church'? In order to answer that question perhaps we might do well to look at how Jesus used the word.

There is a major turning point in the story of Jesus. This is when Peter states his belief that Jesus is the Messiah, the chosen one of God. Jesus then tells Peter that on this rock he will build the church—that very word, church. The Gospels were written in Greek and the word that is translated as church *ekklesia*. The word is nothing to do with a building; it actually originally meant a gathering of the people. One of the contexts in which the word was used was when a crowd gathered in the market place or a square to hear an important message.

So, the word we translate as *church* would have been very familiar to the first readers of the Gospel. Not a building (although we are blessed with some very fine ones), not an institution, but people sharing good news. The *ekklesia* was and is the gathered people; a gathering of people, called by the herald who was the man of Galilee and of Golgotha and the Easter dawn.

John

THE HAWKSHEAD SURGERY

Apologies that the message in the
April Link, concerning remote
membership of the Patient
Participation Group for the
Hawkshead Medical Practice, had a
typo in the email address.

The Patient Participation Group is a
group of registered patients who
work with the surgery to improve
services. At the moment the main
focus is on keeping a campaign
going to ensure the Surgery's future
services are what the community
needs. You can be a remote
member of the group, which will
entail receiving a summary of the
PPG minutes and commenting if you
have anything to add, but there is no
obligation for anything more.

The correct email address is:
ppg@hawksheadmedicalpractice.co.uk
if you would like to be a remote
member or want further information.

SCHOOL NEWS

After a beautiful sunshine filled Easter break Hawkshead pupils return to study new topics.

This term Key Stage 1 are learning about Sound & Light, Seaside - past and present, Years 3/4 will be looking at Local Study and Life Cycles, Years 5/6 are studying Mountains & Rivers of the world, and Life Cycles.

Key Stage 1 have been using various media to create some beautiful seaside art. Years 3 & 4 enjoyed a visit to Tesco at Millom. They learnt about where food comes from and completed questionnaires about price and weight of food. They also went in the big fridge and freezer, bbrrrr. Another trip includes a visit to the Pattersons' farm at

Ickenthaite to see their goslings, fell ponies and Herd of Galloway cattle. Katherine gave an interesting talk about how their cattle are involved in conservation grazing for the benefit of the endangered High Brown Fritillary Butterfly and its habitat.

Key Stage 2 have embraced artwork in Fletcher's Field, the concept being 'pattern and design'.

They have also been identifying spring flowers in forest school. With the help of a teacher from Kendal Brewery Arts, pupils are creating a dance piece for the production Fantasia.

Year 6 have been planting in the vegetable garden and Years 3 & 4 are taking guitar lessons.

Years 5 & 6 are learning about architecture and designing their own interesting versions of a building to house a Pre-School facility. The children have all participated in orienteering.

Rose Queen Gala will be held in Hawkshead [on Saturday, 14th June](#), we look forward to the event which plays such a valuable role in supporting our school and hope to see you there – see the details on page 5

HAWKSHEAD RECREATION GROUND TRUST

The Annual General Meeting of the Trust will take place at 7.30 p.m. on Tuesday, 8th July 2014, in the Lower Market Hall, Hawkshead. All are welcome to attend. Any further information to the Secretary.

LOVE YOUR FOREST – is a new project, launched by the Forestry Commission, and Grizedale Forest is looking for volunteers to make a difference through various roles. Since 1977, leading international artists have created sculpture in response to Grizedale's unique environment. Now, around forty artworks are located across the forest, linked by a network of walking and cycling trails. The Forestry Commission is now seeking forest art works' volunteers to work with its arts' development team. The Forestry Commission is also recruiting volunteers to take on roles that include: taking visitors on guided walks, to helping on family events, to meeting and greeting visitors and gathering feedback. Volunteers will receive training and have the opportunity to learn new skills. It is also a great opportunity for people who want to pursue a career in the arts' industry, customer care, visitor experience or education. If you are aged 16 or

above and would like to volunteer please Go to:
www.forestry.gov.uk/grizedale and fill in the online application form or email Volunteer Co-ordinator, Katherine Patterson, at katherine.patterson@forestry.gsi.gov.uk

THE ST MARY'S HOSPICE

'NEIGHBOURS' SCHEME has quickly developed to serve South Lakeland. The Neighbours are just everyday people who want to offer some time to help in their local community.

Hospice Neighbours have been visiting people who are living with life-shortening illnesses since last November and up to now have supported nine with a range of illnesses and needs. Most of the support has been companionship, but, as the relationship and trust have developed, Neighbours have been doing a variety of tasks - taking clients to local appointments, out shopping or out for a treat. The service can be of help, not just to individuals but, to those doing the caring. 'Neighbours' is a confidential service managed by St Mary's Hospice. If you are interested in becoming a Hospice Neighbour, or know someone who would benefit from the service, please contact Anne Atkinson on 01229 580305/
